

## TERMS AND CONDITIONS

The confirmation of a reservation results in a contract between the customer and the Lucerne Navigation Company (SGV). Thereupon, both contracting parties have rights and obligations. The following terms of contract take effect:

1. SGV rents its boats for chartered cruises. It is obliged to carry out the chartered cruise according to the information and specifications stated in the definite confirmation of order.

2. Reservations can be made in writing, via telephone or in person. The contract is considered binding for the customer with the definite booking and for SGV with the confirmation of order.

3. The customer is obliged to utilise all catering services provided by Tavolago (except with a barque rental).

4. SGV and Tavolago reserve the right to request a payment in advance from the customer upon confirmation of order.

5. SGV charts boats in a specific category. If the customer should wish a specific boat (with the name X), SGV would be happy to take the order. There is, however, no guarantee that the desired boat can be chartered. For operational reasons, SGV can provide an equivalent boat or one in a higher category at the agreed price.

6. Normally, the boat reserved for the chartered cruise is available 10 – 15 minutes prior to the confirmed time of departure at the pier agreed upon. Should a longer preparation time be desired, exceptions can be made within the operational bounds and will be charged.

7. Safety regulations / Due care: inflating balloons with helium is permitted on the boats. The customer is kindly requested to contact the captain directly, for he will determine a proper place for inflating the balloons and a safe location for storing the gas cylinder. The use of any other gas onboard is not permitted. Setting off fireworks or firecrackers, etc., is not permitted on any boat. The use of nails, screws or adhesive tape of any kind on the walls or ceilings is not permitted. Dancing or playing rhythmic music on the upper deck can interfere with safety in general and also damage the boat and its furnishings.

8. The customer is responsible and liable for any damages to the boat or its furnishings caused by the passengers on the chartered cruise.

9. Smoking is absolutely forbidden.

10. In principle, the staff members of SGV and Tavolago adhere to the itinerary as specified in the order. Program changes are possible, but only upon prior arrangement and agreement with the SGV captain. In order to ensure the success of larger functions on chartered cruises, the customer is advised to provide SGV with a detailed schedule in good time. Subsequent to the chartered cruise, the number of passengers and duration of time is confirmed with the customer's signature. The number of passengers refers to all passengers onboard, including artists, musicians, etc.

11. The SGV captain bears responsibility for the safety of all passengers and the boat in accordance with the Swiss Inland Navigation Law (3.10.1975). Safety is given first priority at all times.

12. In the event that a valid contract is annulled by the customer, SGV will calculate the cancellation fee as follows:

- up to 61 days prior to the event:  
a processing fee of CHF 100.– for amounts up to CHF 3,000.–  
a processing fee of CHF 200.– for amounts over CHF 3,000.–
- 60 – 31 days prior to the event:  
25% of the confirmed rental fee per order, as well as fringe services charged to SGV where applicable (music, etc.)
- 30 – 2 days prior to the event:  
50% of the confirmed rental fee per order, as well as fringe services charged to SGV where applicable (music, etc.)
- Within 48 hours prior to the event:  
80% of the confirmed rental fee per order, as well as fringe services where applicable (music, etc.)

13. Terms and conditions – Tavolago

- up to 3 workdays prior to the event: 50% of the services agreed upon
- In the event of a cancellation within less than 3 workdays prior to the event, the customer must pay 100% of the services agreed upon.

14. In the event that the chartered cruise does not start or end in Lucerne or involves long waiting periods at a specific location, or that a boat without the gastronomic infrastructure (MS Reuss, Rütli, Mythen) is booked, we reserve the right to include a surcharge for the time our staff members spend onboard (per staff member and hour CHF 51.–/ 65.– for senior staff members).
